

UNAUTHORIZED DISTRIBUTORS AND FALSE INFORMATION

All Entities Must Refrain from the Unauthorized Selling of Grosspe Products

It is the value and policy of Grosspe to sell its products only through authorized channels. Authorized Social Sellers can only sell apparel created by Grosspe. Products created by Grosspe cannot be sold on any other websites or in retail shops. The opportunity that is presented to distributors of Grosspe products will diminish immeasurably if Grosspe products are sold through unauthorized channels. Grosspe values stand opposed to sales through unauthorized channels and Grosspe does not vouch for the authenticity of products purchased through such channels.
