- ✓ All products offered here reflect high-quality production, the latest fashion styles and a wide variety of designs at affordable prices.
- ✓ Shop for your style, then share it with others and build fashion communities in all corners of the world.
- ✓ The [www.Grosspe.com](http://www.Grosspe.com) team has a passion for attaining perfection –be it in the unique fashion trends offered or in the levels of rewards to bring smiles to as many customers as possible.

## OUR MISSION

With more people going online, the opportunities available to market one's products and services on the virtual environment of the World Wide Web is far more than the typical clay and brick markets. With the growing penetration of internet in India, it is easier for a business to achieve economies of scale and maximize profits. We wish to achieve a sustainable business model, provide total satisfaction and growth opportunity to all our B2B and B2C relations.

To carve out a niche in the E-Commerce industry with the support of our Consumers and Business partners.

## OUR VALUES

### INTEGRITY

Our integrity in our work methodology has helped us create a strong system where growth & prosperity of each member of the community is valued more than anything else.

### HUMILITY

The humility with which each team member works here leads to a commitment to focus on the community as a whole.

## **CUSTOMER HAPPINES**

We value customer happiness the most and have worked towards creating systems where each customer stands to gain in some manner with every sale that is made either directly by him or by anybody in his community.

## **CARE FOR ANIMALS**

We neither sell nor encourage the marketing of any animal products.
